Wilco Applicators for Gopher Bait

	Product	Rodent(s)	Description
	Wilco Gopher Getter Midget Probe Product# 70101	Pocket Gophers	An innovative tool gives the occasional user a safe and simple solution for dispensing gopher bait subsoil and into the rodent's runway. Includes choice of 1 lb. jar of Wilco Gopher Bait (Gopher Getter Type 2 or Wilco Zinc Homeowner Bait).
	Wilco Gopher Bait Applicator Product# 70601	Pocket Gophers	Applicator is recommended for anyone, (including professionals) needing to treat several acres of damage caused by gophers. Includes choice of 1 lb. jar of Wilco Gopher Bait (Gopher Getter Type 2 or Wilco Zinc Homeowner Bait).
	Wilco 3-Pt Hitch Machine (Artificial Burrow Builder) GA-400 3-Pt Hitch: Part # 70400 GA-422 2-Pt Hitch: Part # 70422 GA-318 3-Pt Hitch: Part # 70318 GA-500 3-Pt Hitch: Part # 70500 GA-700 3-Pt Hitch: Part # 70700	Pocket Gophers	Tractor-drawn baiting machine provides easy, safe, and economical gopher control for treating large acreage. The 'burrow builder' creates artificial burrows and automatically dispenses gopher bait subsoil and into the rodent's tunnel system in a single operation.

Wilco Bait Stations

	Product	Rodent(s)	Description
	Wilco Ground Squirrel Bait Station Product# 39000	Ground Squirrels	Made of heavy-duty plastic, its design is ideal deal for placing ground squirrel bait and discouraging non-target animals from coming into contact with it. Contains a child-resistant cap for refilling and provisions to anchor it to the ground.
	Wilco Rat/Mouse Bait Station Product# 39001	Rats and Mice	Bait station sized for rat and mouse applications. Molded of heavy-duty plastic to withstand any type of abuse. Its size makes it ideal to place under work benches, cabinets, warehouse pallets, etc.

GROUND SQUIRREL BAIT BY WILCO

Bait is pelletized to emulate their natural food source and encourage them to eat the bait, not to store it. Contains the anticoagulant Diphacinone (.005%) and is a multiple-feed solution requiring the rodent to consume 3-4 days of continuous feeding. Bait station required. This homeowner bait is available in 4 lbs. and 20 lbs. No permit and/or license is required (*except in CA*).

Part # 31004- 4 lbs. , Part # 31020- 20 lbs.
